Embrace the future of education with DHC's comprehensive, feature-rich learning modules.

Bulk Pricing Breakdown

BASIC	STANDARD	SIGNATURE
1+ modules	5 + modules	10 + modules
$25,000 USD	**$17,000 USD**	**$12,000 USD**

The listed pricing reflects the cost per module at $25,000. For customers interested in purchasing multiple modules, a tiered discount structure is available. For quantities between 5 and 10 modules, the price is $17,000 each. For quantities exceeding 10 modules, the discounted rate is $12,000 each.

DHC's Module Features Overview

Here is a comprehensive list of all the features included within one module of the DHC Digital Education Platform.

Embark on an immersive learning journey with our web- based platform that can be access anywhere, anytime, where each module is enriched with an abundant amount of cutting-edge features. With a seat capacity of 2500, our platform supports seamless collaboration and interaction. You can upload files of up to 500MB securely, utilize up to 50 annotations per model, and customize backgrounds for a personalized learning environment.

Engage in a focused user experience, explore the advanced 360 viewer, and experience app-free mobile Augmented Reality (AR) on various devices. Utilize the 3D viewer for an enriched experience, complete with Augmented Reality, 3D content creation, course monetization, skills assessment, and detailed analytics. Elevate your courses with custom QR code branding, and delve into the realm of holograms, offering unparalleled learning opportunities.

Our platform facilitates user testing with a 10% transaction fee, enabling effective assessment. Track learning analytics, including course progress, login time, start date, and last activity. Dive into AR analytics with insights into the number of scans, locations, and operating systems. Access a wealth of learning content, instructor information, and multimedia files seamlessly, ensuring a comprehensive and interactive educational experience.
